

MISSIONING CEREMONY

12TH DECEMBER 2015

At last the day has come when those Brothers who completed the Orientation Program (OP) were missioned to their various communities. And what a day it was!

The ceremony began with Br. Nsamu welcoming the guests.

Br Peter Dowling expressed his thanks and admiration for the Brothers who have taken this step to create vibrant and cohesive communities in Western Province.

Br Mouvin and some of the participants in the OP shared on what they had gained from the program, explaining what, in fact, the OP had hoped to achieve.

Then, Br Richard Walsh called forth the Brothers for this new mission, and anointed them.

And Br. Peter Dowling presented a Bible in SiLozi to each participant.

Mr. Limata, the chief of the Luampa, expressed his warm welcome to the new communities on behalf of the people of the Western Province.

Mrs. Limata presented each of the participants with a traditional red Lozi beret.

Led by St. Joseph's choir, all then processed to the ISC gate where the Ceremony of Welcome had happened fourteen weeks back.

Br Michael deKlerk poured libations to honour the memory of deceased Brothers.

The ceremony finished with a prayer of blessing.
