Letting Go of God!

Facilitated by Damien Price cfc

In the midst of our busy lives it is good to take some 'time out' - to just BE.

The Retreat Day will aim to give participants an opportunity to unload the saddle-bags of God agenda that so often hold us back from truly living life "to the full".

The retreat will focus on the interconnection and interdependence of all of life.

The retreat will take up Br. Philip Pinto's challenge to 'put the other at the centre' of our lives and in so doing to discover true liberation.

Damien recently facilitated "5-second choices the give life and meaning" at the EREA Staff Reflection Day.

ALL WELCOME!! Bookings essential—BY WEDNESDAY 28 SEPTEMBER
