Call for Volunteers

FAME offers a Woodwork Program on Wednesdays and Fridays. This is conducted at our shed in Cottage Lane, Hackham.

Due to the popularity of this part of our program, our Head Trainer, Shannon, is looking for volunteers to assist with the sessions.

***You don't need to be a qualified carpenter—
an interest (and a little experience)
in woodwork will do!***

Please contact me if you are interested, or would like to find out more about volunteering at FAME.

Deb Hoey

Vocational Educator & Volunteer Coordinator
