

# Living and Working together in the Spirit

~ Accepting the continuing tensions, struggles and inspirational work involved in the journey ~

Our ongoing commitment is to:

- Acknowledge Australia's Indigenous peoples as the first peoples of this land
- Build respectful relationships
- Develop partnerships between Indigenous peoples and non-Indigenous people
- Celebrate Australia's unique cultures

which unite us in the pursuit of justice through conversion of heart and deepening spirituality.

The cross represents Christ at the centre, forgiveness and reconciliation. The rays of the cross are the four Christian Brothers Provinces, The black dots are for Indigenous Peoples, white dots are for non-Indigenous Peoples. The Spirit figures represent young people and movement into the future. The didgeridoo shows the breath of the Spirit going out. All of this is embraced by strength and respect represented by the boomerangs.  
Artist William Parmbuk, Port Keats, NT.
