Jubilee Travels

The six days in Broome were delightful. The temperature each day was about 30 degrees and it was great catching up with old friends. Thanks to Peter Thrupp and Berkeley Fitzhardinge for their hospitality.

I left Broome early Friday morning and arrived here in Perth the following afternoon. Yesterday (Sunday) I joined the brothers and others at the annual gathering at Bindoon for the Founders Birthday. It was really good to catch up with the Brothers. Today I will be catching up with other friends.

John Carrigg, Peter Hardiman and Pat Kelly

Some of the Brothers at the Mass at Bindoon: L to R: Jim van der Zalm, Frank Donohoe, Warwick Bryant, Ernie Travers, John Baldwin, Basil Hickey, Phil O'Loughlen, John Murray, Brian Clery and John Rae.

Final Note

I will be leaving Perth early tomorrow morning and may be back for the Associates meeting on Wednesday, but definitely by Thursday.
