ELECTION OF NEW CONGREGATION LEADERSHIP TEAM FOR THE CHRISTIAN BROTHERS

After proroguing their Chapter in Lima Peru in March 2020, the Chapter of the Christian Brothers reconvened at Emmaus Centre, Dublin in late January 2022.

Having listened to their Brothers across the globe, the Chapter entered into a period of deep listening and discernment to allow a vision to come forth. This captured the movement of the Spirit among the delegates to be in transformation as a body, to listen to the Cry of Earth by being active participants and to embrace diversity.

The Chapter elected a new Congregation Team led by Peter Clinch from Oceania (Melbourne) and surrounded by John Casey (Ireland), Senan D'Souza (India-Africa), David Ryan Silva (India), Hugo Carceras (Americas).
